ABOUT SMART CARE DIAGNOSTIC CENTRE

Smart Care Diagnostic Centre is a leading healthcare facility dedicated to providing top-notch diagnostic and consultation services. Smart Care Diagnostic Centre is a state-of-the-art healthcare institution located in Rajbari, Bangladesh, dedicated to providing comprehensive diagnostic and consultation services. Founded by Md. Solayman Molla, a native of Rajbari with a passion for improving healthcare access in the region, Smart Care Diagnostic Centre has a clear mission and vision to revolutionize healthcare services in the area.

MISSION

01 THE 1ST YEAR GOALS:
To establish itself as a smart and standard institution beyond the traditional diagnostic services in Rajbari by showcasing accurate diagnosis and customer loyalty within the next one year.

02 Make every effort to ensure that all subject matter specialists are in the doctor's chamber within the first year.

03 Ensure the use of high-quality reagents for accurate diagnosis.

04 To make the organization known to everyone through wide publicity online and offline.

05 To ensure the organization's own transportation to transport specialist doctors to improve the quality of service.

06 Achieving customer satisfaction by ensuring the requirement of skilled & smart workers and conducting regular monitoring.

Founder Smart Care Diagnostic Center

MD. SOLAYMAN MOLLA
Founder & Managing Director
Smart Care Diagnostic Center
MHI (Hospital Management) DMF (Dhaka)
Former Chairman Kanchpur General Hospital
Former Health Information Officer (Lahore Hospital)

This is Md. Solayman Molla, Founder & Managing Director Smart Care Diagnostic Centre. Located Bopole, Moor, Rajbari Sadar, Rajbari. Left side of Smart Care Diagnostic Centre, Country largest chain Pharmacy shop Laziz Pharma and Q Zaman Pharma situated at Ground floor of the Building. I was a health information officer at LAHORE. I took this initiative with the mindset of providing better treatment of low cost to the people of my District. I has been serving two renowned Hospital in Dhaka since long.

Our Core Values

- QUALITY HEALTHCARE:** We are committed to providing the highest quality of healthcare services, using state-of-the-art technology and maintaining the utmost standards of accuracy and evidence in diagnostics and consultations.
- ACCESSIBILITY:** We believe that healthcare should be accessible to all, and we strive to make our services available to everyone in Rajbari and its neighboring areas, ensuring that distance or financial constraints do not limit access to essential healthcare.
- INNOVATION:** We are dedicated to staying at the forefront of healthcare innovation. We continuously explore and implement new technologies, diagnostic techniques, and treatment modalities to provide the best care possible.
- INTEGRITY:** We uphold the highest ethical standards in all our interactions. We are honest, transparent, and accountable for our actions and decisions, ensuring trust and confidence in our services.
- CONTINUOUS IMPROVEMENT:** We are committed to ongoing learning and improvement. We regularly assess and enhance our services, learning from each patient, feedback, and staying up-to-date with the latest healthcare outcomes.
- PATIENT-CENTERED CARE:** Our focus is always on the patient. We involve patients in their healthcare decisions, provide them with clear information, and empower them to take an active role in their well-being.

THE 2ND YEAR GOALS:

- Establish a full-fledged diagnostic by introducing all tests of Histopathology, hormones and planning CIS and MRI services.
- To expand the service by creating sample collection centers outside the organization.
- To deliver services to the doorstep of the people by launching home delivery service for the patients who are unable to move.

THE 3RD YEAR GOALS:

- Provide a complete diagnostic service.
- A plan to provide a full range of health care services by combining hospital and diagnostic services.
- Most of the patients of Rajbari go to Faridpur and Dhaka for treatment, you will attract them by improving the quality of service.

VISION

Smart Care Diagnostic Centre envisions becoming the premier healthcare institution in Rajbari, offering a holistic range of healthcare services that cater to the diverse needs of the community. By continually improving the quality of our services and expanding our offerings, we aim to reduce the need for residents to seek medical care in distant cities like Faridpur and Dhaka.

CIS (Computed Radiography System)

Our CIS technology allows for efficient and high-quality digital X-rays, reducing radiation exposure and providing clear images for diagnosis.

MRI (Magnetic Resonance Imaging)

Our MRI services offer detailed and non-invasive imaging of internal structures, aiding in the diagnosis of a wide range of medical conditions.

CONSULTATION SERVICES:

Specialist Doctors: Our team includes experienced and specialized doctors who provide expert consultations, diagnosis, and treatment plans tailored to your specific medical needs.

Comprehensive Health Consultations: We offer comprehensive health assessments and consultations, addressing all aspects of your well-being and providing guidance on maintaining a healthy lifestyle.

SAMPLE COLLECTION CENTERS:

We understand the importance of convenience in healthcare. To make it easier for our patients, we have established sample collection centers outside our organization. These centers allow you to provide samples for testing without having to visit our main facility, saving you time and effort.

HOME DELIVERY SERVICE

We are dedicated to ensuring that healthcare is accessible to all, including those who may have difficulty traveling to our center. Our home delivery service brings healthcare to your doorstep, ensuring convenience for patients who are unable to move or prefer the comfort of their homes.

At Smart Care Diagnostic Centre, we are committed to providing top-quality healthcare services that promote your health, comfort, and convenience. Our comprehensive range of services, experienced medical professionals, and patient-centered approach ensure we are your trusted partner in health and well-being.
